Mr Wm Macleod

Dear Sir

Your letter  
in regards to sending the  
St Sebastian to you just  
received - I wish to state  
our reason for sending to  
the Cochran Art Gal was  
that it was registered as  
coming from there - since  
the exhibition closed Mr Lubna  
has unfortunately passed  
away after a very short  
illness - which has left  
us some what mixed up  
in regards to matters of

this kind - I consulted  
Mr John Santam (who has  
charge of the Fine Arts) -  
he advised me to ship  
it as I did - if you do noo  
wish to keep it advise  
us where to send it too  
or to whom it belongs  
and we will have to  
delivered at our expence  
Sorry that it should  
have happened so and  
are willing to do any  
thing to correct - Let  
me hear from you - and  
please give us Mr Robert -  
Franklin's address. You respcd.

Dear Mr. McLeod

I am greatly annoyed to learn that Parker's picture of "St. Sebastian" has been sent by Mr. Teubner to the place from which it came instead of the artist's residence in Paris, where he directed it to be sent (64, rue de La Rochefoucauld). This is one of many similar blunders that Teubner made in disregard of the plainest directions. He had charge of packing and shipping of the pictures &c. and a pretty work he made of it. Since his return home he died, but if he had only died three months sooner before this work was begun it would have saved me a world of trouble. Please reship the box to H. Teubner, 1436, South Penn Square, Philadelphia, and oblige Yours faithfully J. M. Santini

I would like permission to copy any or all of the presidential portraits which are in the East Side Gallery. I want them for a series of historical papers which are to appear in the "Wide Awake" under the title of "Children of the White House." Can such permission be given and is it necessary that Mr. Rice make the copies?
